

Exciting Opportunity for 10-12 Grade Students!

Our district was awarded the Expanding Learning Opportunities Grant, which will include an after-school program for students who are struggling in various areas of study.

February 8- March 7 will focus on those students who need to meet graduation requirements, as well as students wanting to increase their ACT score.

Students are not required to attend every day, nor do they have to stay for the entire time to qualify for this program, however, to give them the best opportunity for success we ask that they attend and stay for as long as possible.

A calendar is attached with the dates for the after-school tutoring program.

Future dates and the type of service to be provided for students will be announced soon!

If you would like to attend or have any questions, please contact Rosanne Mitchell at rosanne.mitchell@hdsb.org or at 850-547-3621.
